

GMAT Preparation Program

The GMAT Preparation Program covers question types and subject areas that appear on the Graduate Management Admission Test. This program will help build your confidence, improve your test-taking strategies, and increase your ability to score higher on the exam. Course materials include textbook, and book of official test questions. **The program will cover the seven areas of the GMAT:**

- Reading Comprehension
- Analytical Essay Writing
- Integrated Reasoning
- Sentence Corrections
- Critical Reasoning
- Quantitative Problem-Solving
- Data Sufficiency

Dates of class are designed to allow students to meet the June 1 application deadline.
