

January 30, 1953

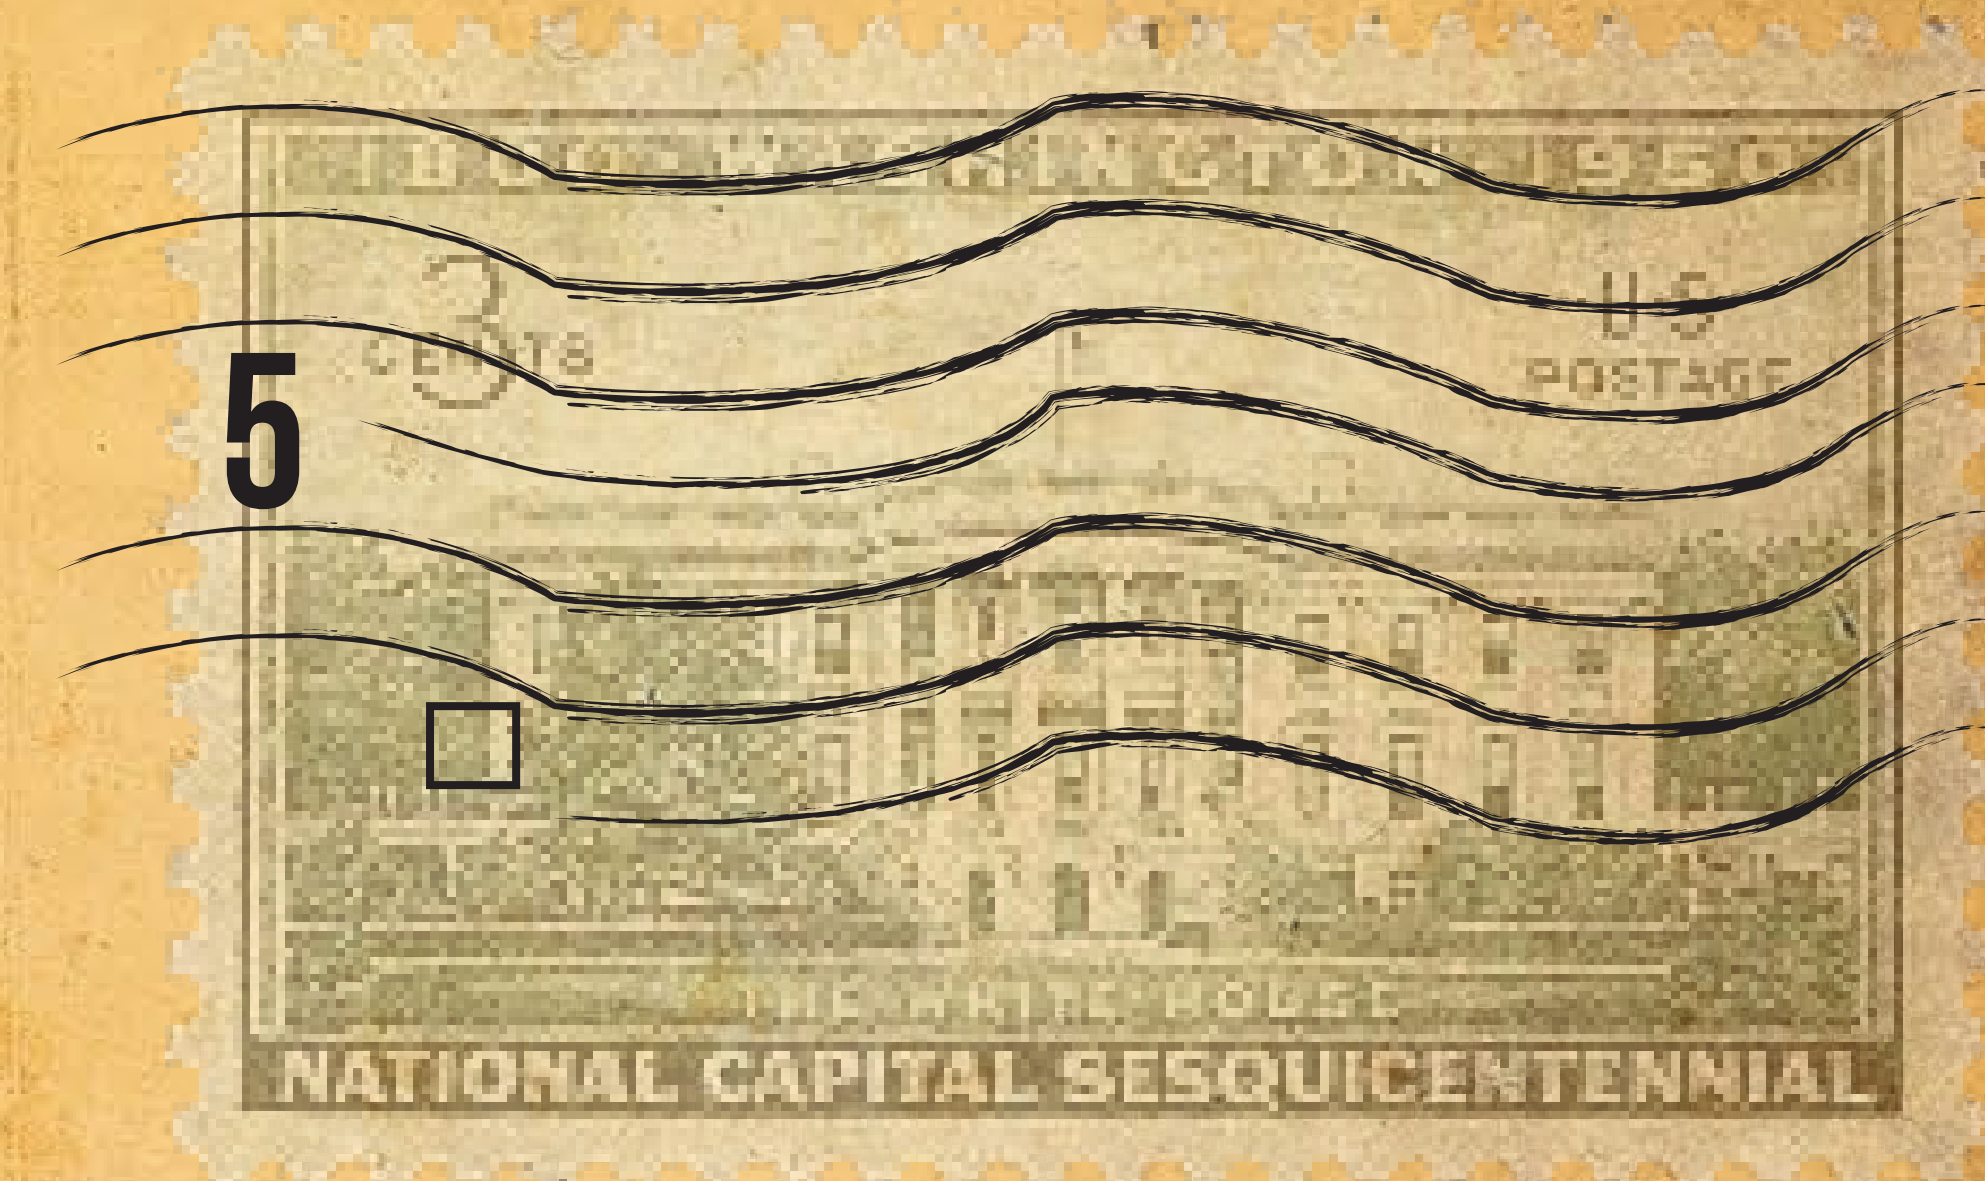

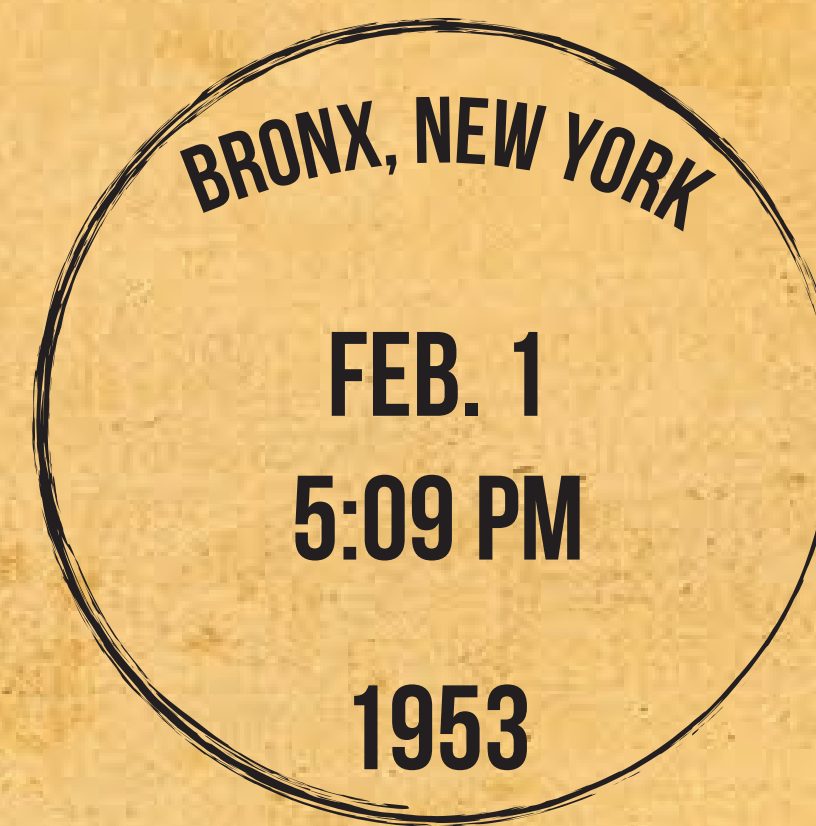

Gentlemen:

This is to tell you that I am now busy preparing my personal story. It will first be published in the American Week form by Random House. I deeply appreciate its words that

thousands who are like me. If I can, by a frank presentation of my life to others then I feel that my duty is done.

thousands who are like me. If I can, by a frank presentation of my life to others then I feel that my duty is done.

thousands who are like me. If I can, by a frank presentation of my life to others then I feel that my duty is done.

Loving George

A Story of America's First Famous Transsexual
