

# ODU College of Engineering & Technology Annual Open House & Women Engineering WEEKEND

The faculty and staff of the Batten College of Engineering and Technology cordially invite teachers, counselors, prospective students, and parents to learn more about Old Dominion's Engineering and Technology programs and facilities through our Open House Event.

## Friday's Open House Tours February 14<sup>th</sup> 2014

Friday's tours will depart at 9:00 am, 9:30 am, 10:00 am, and 10:30 am.

*Tours have limited space, so it is critical that you pre-register by Friday, January 31, 2014*

## Saturday's Design Competitions, February 15<sup>th</sup> 2014

On Saturday, several engineering and technology design competitions will be held for middle and high school students. These contests are designed to be age-appropriate and will test students' inventiveness and skill. Prizes will be awarded to the winners of each contest.
