CAMP DESCRIPTIONS

HOMETOWN HERO CAMP:

If you had a superpower, what would it be? Get ready for an adventure of heroic proportions while learning what it takes to be a Hometown Hero! Campers will get strong and mighty in the gym, create their own unique superhero name and persona, and design their own superhero emblem on a cape they can take home. In addition, campers will meet Hometown Heroes from the local police and fire departments, and will visit the Virginia Beach Police K-9 Training Center.

PIRATE CAMP:

Your young swashbuckler will be learning the way of the sea and the land by doing interactive activities such as using a compass and map and having fun on the high seas (swimming in the ODU SRC pool). The swashbucklers will also be learning pirate songs and creating pirate treasures! Campers will create pirates names, crew t-shirts and flags for the unique experience your camper will never forget! On the final day we will be setting the swashbucklers out on a real treasure hunt around the ODU campus to practice their skills in navigation and puzzle solving!

AIR & SPACE CAMP:

Expand your mind and explore the world of air and space. Each day we will soar to the world above for a fun filled day of adventure and exploration.
