

bringing the future to the present

COLLEGE of SCIENCES
OLD DOMINION UNIVERSITY

College of Sciences

Student Ambassadors Program

The College of Sciences Student Ambassadors are a select group of undergraduate students who have demonstrated scholastic achievement, commitment to the study of the sciences, and leadership potential. Ambassadors are selected to represent the student body and the College of Sciences.

College of Sciences Ambassadors:

- Serve as a representative of the College of Sciences at various campus functions such as the Dean's List Reception, Admitted Student Day, and Open Houses.
- Act as a peer resource for prospective students by conducting tours of COS facilities, providing opportunities for shadowing, and promoting the COS by sharing their experience and insight.

To be considered:

- **Pickup an application packet from the COS Advising Office in MGB 236**
- Minimum 3.0 GPA
- Must be a current undergraduate student in the COS and have completed a minimum of 30 credits at ODU by the end of the Spring 2014. (Transfer students: 24 credits)
- Submit a completed application on or before March 21, 2014 by 5:00 PM

Benefits:

- The opportunity to interact with faculty on a more collegial level, sharpen your communication skills, and enhance your resume.
- Certificate earned after 20 hours of service to the College of Sciences
- Participation indicated on Co-Curricular Transcript
- COS Fellows Polo shirt
