

## GLOBAL HEALTH EDUCATION IN GUATEMALA

During their study abroad trip, three nursing faculty members (Janice Hawkins, Deborah Gray, and Christina Sump) and 16 students engaged in a service learning project to Antigua, Guatemala, with the support of ODU's Center for Global Health. The students will give an informative presentation on this project.

When: April 15, 2014

Where: Health Sciences Bldg. (computer lab room 3014)

Time: 12:00 (pizza will be provided)

Please make plans to join us.
