

ODU Community,

My name is Collin Hust, and I am the Student Body President of this academic year. The 83rd Session of Student Government Association is launching the 1ODU Campaign this Friday at 3:30pm in the Webb Center lobby.

“1ODU” will encourage all students, faculty and staff members to form a lifelong legacy at ODU and want to represent their Monarch Citizenship. “1 ODU” will also reveal just how diverse every person is on campus and how we should all unit with pride!

1ODU is meant to define what makes ODU a functional campus. Without certain aspects of the campus community, ODU would not be the growing institution it is today.

This campaign has been mentioned in the 2014-2019 ODU Strategic Plan, and it is important for every member in the ODU community.

I would like to personally invite all students, faculty, and staff to this event. SGA will be giving out 1,000 1ODU t-shirts for everyone that attends (first-come, first-serve).

I look forward to seeing all of you on Friday.

Sincerely,

Collin Hust

Student Body President 2013-2014
