

SEES is currently seeking undergraduate and graduate student leaders to serve on an advisory committee for the Division of Student Engagement & Enrollment Services. The purpose of the SEES Student Leadership Council (SSLC):

- ✓ To provide advice and counsel to the Vice President of Student Engagement and the Division of Student Engagement & Enrollment Services on matters of student concern. This advice does not replace but complements formal recommendations made by Student Government Association. A portion of meeting time is devoted to providing feedback on ideas, input into decision making, or raising issues to be addressed.
- ✓ To provide an opportunity for information sharing and support between and among key student leaders on campus. A portion of meeting time is devoted to discussion of concerns, topics, and ideas generated by members of the group. This includes sharing practical information about events and plans, as well as discussing topics of common concern to student leaders.
- ✓ To serve on University committees as needed.
- ✓ To assist with Admission activities.

Leaders must be in good academic and judicial standing and willing to meet once a month as a group. The time and location will be selected by the council after members are selected.
