FALL 2014 RESEARCH ORIENTATION

Wednesday, September 3
Thursday, September 4
Noon to 1:30 p.m.

Perry Library Learning Commons, rooms 1310 and 1311

The Office of Research and the ODU Research Foundation provide support in proposal and budget development, grant administration, funding searches, licensing technologies and much more.
Choose one session to attend and learn about the services offered by

- Research Development
- Research Compliance
- Innovations Commercialization (formerly Licensing and Technology)
- ODU Research Foundation

Lunch will be served, so please R.S.V.P. by August 29 at
odu.edu/researchoffice/ calendar

For more information, please visit
odu.edu/researchoffice or
researchfoundation.odu.edu

NIH: The R15 Academic Research Enhancement Award

Tuesday, Sept. 9, noon to 1:30 p.m. Perry Library Learning Commons, rooms 1310 and 1311
Learn about the R15 AREA, which supports small-scale research projects in biomedical and behavioral sciences at educational institutions that have not been major recipients of NIH research grant funds. ODU faculty are eligible as long as they are not currently a Principal Investigator on another NIH grant at the time of the award.
R.S.V.P. at odu.edu/ researchoffice/calendar
