10.00 a.m.-12.00 p.m.
Conference Room 1310

The International Student Panel will be an amazing chance to hear and discuss students' unique stories and their experiences as international students at ODU. During this forum, graduate and undergraduate students from different countries and with diverse cultural backgrounds will express opinions, concerns and challenges of importance to the international student population. The panelists will give brief backgrounds about themselves, and then will discuss the above topics and answer questions.

The Global Certificate Program is for faculty, staff and graduate assistants interested in working with and learning from international students and scholars/researchers at Old Dominion University. Streaming services are now available.
