

BIG BLUE SPEECH CLUB
SUMMER 2016

Heroes in Action!

Tidewater Scottish Rite
Childhood Speech & Language Center
at the
ODU SPEECH & HEARING CLINIC

This summer, thanks to the support of the Tidewater Scottish Rite Foundation, the Old Dominion University Speech and Hearing Clinic is offering an articulation and language summer enrichment program for students 5-7 years of age. Children enrolled will engage in fun large and small group activities in a “camp-like” atmosphere. Each week will feature exciting literature-related activities and every session will focus on language and articulation skills.

Who: Children 5-7 years old with speech or language impairments

What: Articulation and Language Summer Enrichment Program

Where: ODU Speech and Hearing Clinic, Lions Child Study Center, 45th & Hampton Blvd.

When: June 28th – July 28th 8:30am – 11:00 am Tuesdays and Thursdays

Goals: To address articulation and language goals through summer related literature activities.

Cost: A reduced program fee of only **\$40.00** thanks to our generous sponsors, the **Tidewater Scottish Rite Foundation.**

The Big Blue Speech Club will be conducted by graduate students in the Communication Sciences and Disorders program and supervised by a speech-language pathologist faculty member.

Registration will be open until Friday June 10th or until all openings are filled. The target enrollment will be six children. Each application will be considered for eligibility.

If you are interested in your child enrolling in the [Big Blue Speech Club](#) please contact Chondra Malson, Clinical Educator, at 683-4122 or cmalson@odu.edu and request an application packet.
