

AFFORDABLE COURSE CONTENT (ACC)

- Do you think curricula can be enhanced by open or free resources?
- Do you think such resources might improve student success at ODU?
- Have you heard about Open Educational Resources (OER) or Affordable Course Content (ACC), and would like to know more?
- Are you already using ACC and would like to discuss it with other faculty?

If you are a faculty or staff member interested in learning more about Affordable Course Content, then you are encouraged to attend:
