

CAREER PATHWAYS

Professional development to bridge graduate school and career success

Success in the Academic Job Market:

Creating an Impactful Application Packet

Interested in an academic career?
Planning to go on the academic job market?
This workshop focuses on helping you put together application packets that will make an impact on the Search Committee.

A panel of ODU faculty will share insights on

- What Search Committees look for in application packets
- How you can put together a strong application packet
- Red flags that you should avoid in your application packet

Friday, March 20, 2020

Noon-2pm in Monarch Hall Room 2100

Also available online at <http://bit.ly/39rrVBA>

Snacks and drinks will be provided. **BRING A FRIEND!**
