Evon – Broderick Award

History/Purpose

The application for one of Old Dominion University's most prestigious honors and awards is below.

Broderick, Old Dominion University's 8th President, and First Lady Emerita Kate Broderick, with the help of other family members who choose to remain anonymous, established and endowed the Evon-Broderick Award for Community Engagement and Service in honor of their mothers Joan Evon and Ellen Broderick.

This esteemed honor recognizes ODU students, who like the award's namesakes, exemplify a commitment to service and civic engagement to the university and surrounding community through superior leadership and service. **It is open to any currently enrolled sophomore or junior.
