TIPS TRAINING PROGRAM

Training Intervention Procedures

TIPS for the university is designed to show students why, when and how to intervene with their peers to prevent alcohol related problems. The misuse of alcohol by college students has been associated with some of the biggest problems on college campuses today, including **violence, date rape, accidents and suicide.**

Whether or not students choose to drink alcohol they may find themselves in situations in which people around them are consuming alcohol. The TIPS training program trains people around the drinker to intervene in situations involving the misuse of alcohol.

This 2 hour INTERACTIVE program is great for student leaders and student groups. To register go to the following link:
