ODU faculty, students, and staff are invited to an interactive roundtable session that will engage participants in a discussion of new, creative, and innovative practices in international education.

Facilitators will present 2-3 emerging practices in international education followed by ample time for discussion on the broader implications of these practices for the future of higher education.

For session details visit <http://education.odu.edu/efl/academics/highered/iweek>

Contact Dr. Chris R. Glass, Assistant Professor in the Higher Education Program with any questions ([crglass@odu.edu](mailto:crglass@odu.edu) or x4118)
