We invite students, faculty, and staff to audition for "A Woman's Worth," a variety show that celebrates the value of women everywhere. We welcome singers, soloists, acapella groups, dancers, poets, artists and the like to come share their original pieces. Performers should be inspired by the fierce and courageous women in their lives, women from history, current history makers, or women and girls of future generations. Pieces that are in any way degrading, disrespectful or objectifying will not be considered.
