during normal climbing hours

The Recreation and Wellness Department welcomes you to join us and The American Cancer Society in an alternative way to help end cancer! Our goal is to raise \$3000 for the American Cancer Society!

Participants are asked to make a donation by participating in our Belay for Life fundraiser.

Our fundraiser consists of a "Pay for a Belay" program. During this program, individuals can make a donation in order to receive a belay from a staff member or wall participant.

Anyone that donates will get to put their name up on our Donation Wall of Fame!

Donate \$1 = OAP arm band

Donate \$5 = OAP water bottle and a raffle ticket to win a vehicle from Southern Auto Group!

Donate \$10 = Belay for Life t-shirt and two vehicle raffle tickets!
**While supplies last so be sure to donate first!*

Participants willing to help us belay can also be eligible for some cool incentives! Participants that help belay 150 times during this program will receive a free OAP One-Day-Rental!

Don't have enough time to commit 150 belays? Participants that help belay 75 times will receive an OAP shirt!

Come out and join the Recreation and Wellness team on April 12th to walk with us!
