Intercultural Center
2114 Webb Center

Refreshments will be served
For more information, contact OIR
at oir@odu.edu or (757) 683-4406

Did you know?

Tikal is the greatest of the surviving classic Maya cities, and is estimated to have once supported a population of about 100,000 people. Archaeologists have identified more than 3,000 structures, and in its heyday, the city probably covered as much as 65 sq. km (25 sq. miles). <http://travelexperta.com/>
