

# NEW!

## Walk-In Hours

**Do you need to see a healthcare provider, but you don't have an appointment?**

Starting Monday, April 1<sup>st</sup>, Student Health Services will add "Walk-In" hours from 8 am-9:30 am, Monday through Friday!

Please keep in mind that students who use our new "Walk In" service may experience a wait time before being seen. Also, we are unable to accommodate routine physicals and annual gynecological exams as "Walk-In" services. We appreciate your patience as we implement this new option for students!
