COMMUNITIES MATTER @your library®

During **NATIONAL LIBRARY WEEK** and throughout April, libraries of all types host special events to highlight the unique role libraries play in people's lives. Today's libraries can help you and your family discover a new and exciting world through collections, digital resources and more. Whether you come for homework or job searches, help with citizenship issues or finances, adult education classes or to find the best books for young readers, libraries are a great place to spend quality time and connect with loved ones and friends.
