## **What is Bike ODU?**

Bike ODU is Old Dominion University's bike share program, open to students, faculty and staff.

## **How does it work?**

Bike ODU is a bicycle loan program that allows students, faculty and staff to "check out" a bike, much as you would a book from the library.

## **How do I qualify?**

After viewing a brief safety course online or in the OAC, you will take a short simple quiz. A passing score of 80% is required to be eligible to participate in the program. If you fail to attain 80%, you can review the online course, and take an alternate quiz the following day.

## **How long can I keep the bike?**

Bikes can be checked out for one week at a time. For example, if you check it out on Monday, it is due back the following Monday.

## **How do I reserve a bike?**

There is no longer a waitlist. Bikes are released on a first-come, first-serve basis.

## **What if I don't get it back in time?**

Just like a late library book, there is a daily fine of \$4.00 per day for every day that you keep the bike beyond its due date.

## **Can I renew my bike rental for an additional week?**

You must physically bring in the bike on or before the due date in order to check out another bike. Please note: You can't check out the same bike two weeks in a row.

The bikes must be inspected

## **Do I need identification to check out a bike?**

Bring your ODU ID card with you when you come to pick up your bike.

## **What if the bike gets stolen or damaged?**

If the bike you borrowed is stolen or damaged, you must notify the Outdoor Adventure Program as soon as possible. Return a damaged bike immediately to the OAP for repairs.
