WELCOMES BACK
DR. ALEXEI KRAIKOVSKI

"Another Amsterdam - St. Petersburg and the Romanovs Maritime Project in the 18th Century"

Alexei Kraikovski, is a Research Fellow at the University of Genoa, Italy and a leading expert in the maritime history of Early Modern Russia. His publications cover the many aspects of Russian maritime, from marine harvesting of the 17th century White and Barents Sea, to water mobility of the 18th century, up to St. Petersburg and the “touristic consumption” of its maritime past in the 21st century. His expertise includes a variety of issues. He studied the numerous links between the economic, social, and cultural life of Early Modern Russia as well as the governmental plans of transformation of the landlocked country into the maritime power of that period.

Therefore, his major focus is the history of St. Petersburg as a maritime metropolis.

MA Forms (M)  PhD Forms (D)

**M1 - Appointment or Change of Master’s Thesis Committee**

Form M1 is used to form the committee between the student and his or her advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form M1 should be filed.

**M2 - Results of Master’s Examination or Requirement**

Form M2 is used to document the transition points as the student progresses toward the degree. At each succeeding transition point, the form is updated, and a copy sent to the University Registrar and noted on the student file. The last transition point is the successful completion of the Thesis Defense. At that time, the thesis committee chair signs the form indicating successful completion of the thesis, and the form is also signed by the Committee members.

**M3 - Master’s Thesis and Acceptance Processing**

Form M3 committee chair signs the form indicating successful completion of the thesis, and the form is also signed by the Committee members. Form M3 confirms that the student has submitted the thesis document in its final form approved by the thesis committee. This form must be approved by the Thesis Chair before it goes to the Graduate Program Director. After the Dean’s office approves the final thesis and signs Form M3, the student submits the thesis electronically and Form M3 is sent to the University Registrar, with copies to the GPD.

**M4 - Notification of a Master’s Student Holding an Assistantship in the Final Semester of Study**

Form M4 is used to show that the student in his/her last semester of enrollment for the Master’s Degree, holds a graduate assistantship, and is currently pending for graduation. The student meets the eligibility requirements and is approved to register for less than nine graduate credit hours. The M4 form is signed by the faculty advisor and the Graduate Program Director.

**M5 - Appointment or Change of Master’s Comprehensive Examination Committee**

Form D1 is used to form the committee between the student and their advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form D1 should be filed.

**D1 – Appointment or Change of Doctoral Candidacy Examination Committee**

Form D1 is used to form the committee between the student and their advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form D1 should be filed.

**D2 – Appointment of Doctoral Dissertation Committee**

Form D2 establishes the committee that will guide a student through the dissertation proposal and defense. The dissertation committee must be established prior to the oral defense of the proposal. This form is completed by the student and signed by each member of the committee. It is then signed by the GPD, the Department Chair, and the Dean. The Dean’s office has the responsibility to return the original to the GPD, along with electronic copies sent to the Dissertation Chair and the student. A new form D2 must be filed if any member of the committee changes.

**D3 – Result of Doctoral Examination or Requirement**

Form D3 is used to document the transition points as the student progresses toward the degree. At each succeeding transition point, the form is updated, and a copy sent to the University Registrar and noted on the student file. The last transition point is the successful completion of the Dissertation Defense. At that time, the dissertation committee chair signs the form indicating successful completion of the dissertation, and the form is also signed by the Committee members.

**D4 – Doctoral Candidates Under Full Time**

Form D4 confirms the student understands as a doctoral candidate they must register for at least one credit each semester up to and including the semester in which they graduate. The word “full-time” in the sentence “This confirms that the student above has advanced to Doctoral Candidacy Status and is working full-time to complete the dissertation” reflects the fact only one dissertation credit per semester is required to be considered a full-time student once all other requirements have been completed. This form must be completed each semester if the student is receiving financial aid.

**D5 – Doctoral Dissertation Acceptance and Processing**

Form D5 confirms the student has submitted the dissertation document in its final form to the Graduate Program Director. After the Dean’s office approves the final dissertation and signs Form D5, the student submits the dissertation electronically and Form D5 is sent to the University Registrar, with copies to approved by the dissertation committee. This form must be approved by the Dissertation Chair before it goes to the Graduate the GPD.

**D7 – Leave of Absence from Doctoral Program**

Students are expected to be enrolled in each Fall, Spring and Summer semesters when students have begun dissertation work. A student who finds it necessary to be excused from registration for a semester must report formally before the beginning of the semester to request by petition a leave of absence. The Ph.D. program committee will review the request and decide whether to approve it. The leave of absence may not exceed one year and may not be repeated. The granting of a leave of absence does not change the candidate’s responsibility for meeting the deadline for the completion of degree requirements. Leave will be granted only under exceptional circumstances.

**D9 – Advancement to Candidacy**

The D9 form confirms the student has successfully completed all the requirements and meets the criteria for advancement to candidacy. This form should be signed by the student, the dissertation Chair, and the Graduate Program Director.
