## MA Forms (M)

## PhD Forms (D)

### [M1 - Appointment or Change of Master's Thesis Committee](#)

Form M1 is used to form the committee between the student and his or her advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form M1 should be filed.

### [M2 - Results of Master's Examination or Requirement](#)

Form M2 is used to document the transition points as the student progresses toward the degree. At each succeeding transition point, the form is updated, and a copy sent to the University Registrar and noted on the student file. The last transition point is the successful completion of the Thesis Defense. At that time, the thesis committee chair signs the form indicating successful completion of the thesis, and the form is also signed by the Committee members.

### [M3 - Master's Thesis and Acceptance Processing](#)

Form M3 committee chair signs the form indicating successful completion of the thesis, and the form is also signed by the Committee members. Form M3 confirms that the student has submitted the thesis document in its final form approved by the thesis committee. This form must be approved by the Thesis Chair before it goes to the Graduate Program Director. After the Dean's office approves the final thesis and signs Form M3, the student submits the thesis electronically and Form M3 is sent to the University Registrar, with copies to the GPD.

### [M4 - Notification of a Master's Student Holding an Assistantship in the Final Semester of Study](#)

Form M4 is used to show that the student in his/her last semester of enrollment for the Master's Degree, holds a graduate assistantship, and is currently pending for graduation. The student meets the eligibility requirements and is approved to register for less than nine graduate credit hours. The M4 form is signed by the faculty advisor and the Graduate Program Director.

### [M5 - Appointment or Change of Master's Comprehensive Examination Committee](#)

Form D1 is used to form the committee between the student and their advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form D1 should be filed.

### [D1 - Appointment or change of Doctoral Candidacy Examination Committee](#)

Form D1 is used to form the committee between the student and their advisor or advisory committee. This form should be signed by the student, the faculty advisor, and the Graduate Program Director. If the faculty advisor changes, a new Form D1 should be filed.

### [D2 - Appointment of Doctoral Dissertation Committee](#)

Form D2 establishes the committee that will guide a student through the dissertation proposal and defense. The dissertation committee must be established prior to the oral defense of the proposal. This form is completed by the student and signed by each member of the committee. It is then signed by the GPD, the Department Chair, and the Dean. The Dean's office has the responsibility to return the original to the GPD, along with electronic copies sent to the Dissertation Chair and the student. A new form D2 must be filed if any member of the committee changes.

### [D3 - Result of Doctoral Examination or Requirement](#)

Form D3 is used to document the transition points as the student progresses toward the degree. At each succeeding transition point, the form is updated, and a copy sent to the University Registrar and noted on the student file. The word "full-time" in the sentence "This confirms that the student above has advanced to Doctoral Candidacy Status and is working full-time to complete the dissertation" reflects the fact only one dissertation credit per semester is required to be considered a full-time student once all other requirements have been completed. This form must be completed each semester if the student is receiving financial aid.

### [D5 - Doctoral Dissertation Acceptance and Processing](#)

Form D5 confirms the student has submitted the dissertation document in its final form Program Director. After the Dean's office approves the final dissertation and signs Form D5, the student submits the dissertation electronically and Form D5 is sent to the University Registrar, with copies to approved by the dissertation committee. This form must be approved by the Dissertation Chair before it goes to the Graduate the GPD.

### [D7 - Leave of Absence from Doctoral Program](#)

Students are expected to be enrolled in each Fall, Spring and Summer semesters when students have begun dissertation work. A student who finds it necessary to be excused from registration for a semester must report formally before the beginning of the semester to request by petition a leave of absence. The Ph.D. program committee will review the request and decide whether to approve it. The leave of absence may not exceed one year and may not be repeated. The granting of a leave of absence does not change the candidate's responsibility for meeting the deadline for the completion of degree requirements. Leave will be granted only under exceptional circumstances.

### [D9 - Advancement to Candidacy](#)

The D9 form confirms the student has successfully completed the all the requirements and meets the criteria for advancement to candidacy. This form should be signed by the student, the dissertation Chair, and the Graduate Program Director.

The Graduate School will host the 13th annual (4th Virtual) Graduate Research Achievement Day (GRAD) Competition during Graduate Student Appreciation Week, which spans from April 3 to April 7, 2023. GRAD is a great opportunity for students to showcase their research to the campus community while learning about the great diversity of research and scholarship at Old Dominion University.

GRAD 2023 is a virtual poster event. Students interested in participating must submit a poster proposal that consists of the graduate student's name, any co-authors, a project title, and a 300-word maximum abstract.

The poster proposal must be submitted no later than **Tuesday, February 21, at 5:00 p.m.** to [https://digitalcommons.odu.edu/graduateschool\\_achievementday2023/](https://digitalcommons.odu.edu/graduateschool_achievementday2023/).

Proposals that do not follow the formatting requirements or are submitted late, run the risk of not being accepted.

A committee appointed by the Graduate School will review each proposal and accept those to be included. **Students with accepted proposals will be notified by Friday, March 10th.**

Those selected to be presented during GRAD will follow the guidelines below to prepare their final posters.

- A final abstract with a 300-word maximum that is free of external graphics. It will be placed in ODU Digital Commons, our institutional repository. [See last year's posters.](#)
- A digital E-Poster in PowerPoint or PDF format (up to 3MB) that we can upload into Microsoft TEAMS for judging and then into the ODU Digital Commons. (A template that you can use is attached.)
- A zip file containing any additional images, videos, or other media that you would like to include on your Digital Commons GRAD poster page. If possible, we additionally ask that a voice recording of each poster be supplied to increase their accessibility.
- E-Posters received in the correct format by the deadline are to be judged between April 3rd and April 7th. Results and feedback will be available by Friday, April 14th.

Be sure to obtain faculty permission for all language and data included on and with your poster. If you have sensitive data or privacy concerns, let us know. By submitting your poster, you agree to have it placed in ODU Digital Commons where it will be available openly on the Internet. You also warrant that you and your co-authors hold the copyright or have the copyright holder's approval and that the work does not infringe any copyright.

Let us work together and show everyone the outstanding research and scholarship taking place at Old Dominion University! Thank you for your support!
