

# ATTENTION

The ODU Speech and Hearing Clinic offers  
**Diagnostic Appointments**  
for Children and Adults!

## Assessments:

Diagnostics evaluate for speech and language disorders or differences. Standardized & nonstandardized tests, along with a hearing screening, will be administered to identify factors that influence speech & language difficulties.

## Cost: only \$75

Appointment includes diagnostic assessment, post-diagnostic conference, and written evaluation report.

Diagnostic sessions can be scheduled throughout the semester.

**Morning & Afternoon Appointments Available!**

**NO referral needed, NO wait list.**
