<b>Additional Credits Required</b>		<b>17</b>				<b>17</b>	

In order to qualify for the BSHS at Old Dominion University, through the articulation agreement, students must qualify through licensure or certification and employment experience.

\*Indicates student must earn C or better for transfer.

The lower division general education requirements will be met by the completion of all courses outlined in this agreement. Oral communication, Philosophy, and Impact of Technology requirements are satisfied by required CHP major courses.

To participate in this articulation agreement please visit Old Dominion University's website to complete the Letter of Intent:  
<http://www.odu.edu/transfer/vccs>

Completion of this articulation agreement alone does not guarantee admission to Old Dominion University or the Health Sciences degree program. All students must meet the requirements set by the Office of Admissions, the Guaranteed Admissions Agreement (GAA) and the Health Sciences degree program. Students should visit the College of Health Sciences website to review instructions for applying to the Health Sciences program. Please visit [admissions.odu.edu](http://admissions.odu.edu) for more information regarding guaranteed admission to Old Dominion University.

Note: Up to 23 Professional elective credit will be awarded from current licensure and/or certification and professional experience.

**Requirements for BSHS to be Completed at ODU**

Students must complete general education requirements and STAT 130M with a grade of C or better before applying for admission to the BSHS Health Services Administration Professional program.

Applicants must complete a Supplemental Application to be considered for admission to the BSHS program

<http://www.odu.edu/commhealth/academics/undergraduate>

Students must be admitted to the program before enrolling in any 300 or 400 level required CHP major course.

**Major Requirements (36)**

CHP	328	Public Health Science	3
CHP	335	Population Health	3
CHP	390	The US Healthcare Delivery System	3
CHP	461	Managerial Epidemiology	3
