Students who transfer into either the music education or music industry program must audition for acceptance. Also they must take placement tests in music theory, ear-training and sight-singing, regardless of any previous classes they may have taken at other institutions.

PLEASE NOTE: All music performance majors are required to attend 60 Blue Card events in order to be eligible for graduation. These department-approved events are posted each semester. Eight of the 60 Blue Cards required for graduation must be Diehn Series concerts. Students may not graduate without fulfilling this requirement. It is strongly recommended that a student attend a minimum of two Diehn concerts per year to meet this goal.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.
