Executive Summary
As required by Virginia Code §23.1-1303(13), the governing board of each public institution of higher education shall submit to the General Assembly and the Governor and make publicly available on the institution’s website an annual executive summary of its interim activity and work no later than the first day of each regular session of the General Assembly. Questions regarding the Executive Summary can be addressed to Donna Meeks, Executive Secretary to the Board of Visitors, Office of the President, 757-683-3072, dmeeks@odu.edu.

Among the highlights of this past year are the following:

- Received Reaffirmation of Accreditation by the Southern Association of Colleges and Schools Commission on Colleges in December;
- Continued progress on integration with EVMS, with legislation passed during the 2023 legislative session creating the Eastern Virginia Health Sciences Center at ODU, designating the schools and divisions of EVMS to become part of the center upon integration, and affirming its continued support of the integration with Sentara Health;
- Held the first-ever Budget Summit in April to engage the campus community in the development of recommendations to address efficiencies, innovation, and revenue generation, resulting in 21 specific strategies that address academic, administrative, financial, technology, and workforce-related savings, enhancements, and improvements;
- Established the Joint Institute on Advanced Computing for Environmental Studies (ACES) in partnership with Thomas Jefferson National Accelerator Facility (JLab);
- Established the new School of Data Science for the development of interdisciplinary courses and degrees and to conduct state-of-the-art research with the new ODU Virginia Beach Institute for Data Science opening in November to house this program;
- Opened the Hampton Roads Biomedical Research Consortium Headquarters to collaborate on innovative projects and jump-start scientific research to address health disparities in the region;
- Held the inaugural Maritime Symposium in partnership with the Virginia Maritime Association in April to provide a direct linkage between the maritime industry and the significant work occurring at Old Dominion University;
• Established the TCC-ODU Monarch Ready Program to provide a new pathway to degree completion for students needing additional preparation for college;
• Launched the Research Institute for Digital Innovation in Learning to explore how advancements in artificial intelligence (AI) can be harnessed to reshape learning experiences and enhance student outcomes;
• Held a campus-wide AI Symposium to ensure that Old Dominion University remains at the forefront of artificial intelligence;
• Established the position of Associate Vice President for Corporate Partnerships with the goal of positioning Old Dominion University as the preferred educational partner for business and industry related to workforce development;
• Increased enrollment of distance learning students to 31% of the overall student population, with an 18% increase in applications for the Spring 2024 semester and an anticipated 27% increase in Fall 2024 applications;
• Established the Monarch Internship and Co-Op Program to support work-based learning initiatives for students; and

Focused efforts on improving student retention and graduation rates by decreasing the admission rate from 96% to 90%, establishing the Monarch-Ready Program, and strategic leveraging of financial aid merit awards as these efforts resulted in the enrollment of a historic number of high school valedictorians and salutatorians and increased high school GPA and ACT/SAT scores.

During 2023, the Board of Visitors of Old Dominion University held four quarterly meetings on April 20-21, June 15-16, September 14-15, and November 30-December 1, with the June meeting designated as its annual meeting. The Board’s Executive Committee met on May 18, and a special meeting of the Board was held on October 27 to discuss the ODU/EVMS Integration. An orientation session for new Board members was held on August 15, and the Board’s annual retreat was held on August 24-25.

The Board has seven standing committees that address key functions within the University, such as Academic & Research Advancement; Administration & Finance; Athletics, Audit, Compliance & Human Resources; Governance; Student Enhancement & Engagement and Digital Learning; and University Advancement and University Communications. These committees meet in conjunction with the quarterly Board meetings.

A public forum on the University’s proposed 2023-2024 tuition and fees was held on March 16. ODU students and other interested individuals were given the opportunity to sign up in advance to make public comments following a briefing by the Vice President for Administration & Finance and Chief Financial Officer. Three students spoke and expressed concerns with increasing tuition costs and proposed additional waivers and scholarships to lessen the burden of the increase.

Board members completed the annual self-assessment survey in early 2023 and the results were presented and discussed at the Board’s retreat in August.

The Board met with President Brian O. Hemphill, Ph.D. in closed session on June 16 to discuss the progress on his 2022-2023 performance plan, as well as on September 15 and December 1 to discuss the progress report on his 2023-2024 performance plan.
An exit conference with the Auditor of Public Accounts on the University’s audit for the fiscal year ended June 30, 2022, was held with the Board’s Audit, Compliance, and Human Resources Committee on April 20.

The Old Dominion University Board of Visitors continues to operate in a transparent manner, to the extent required by law, in all Board actions. All meetings were open to the public; notice was provided pursuant to Virginia Code § 2.2-3707; agendas and minutes were published on the University’s website and Virginia’s Commonwealth Calendar; and full Board meetings were live-streamed on the Board’s website. Any business that was conducted in closed session was done pursuant to the Virginia Freedom of Information Act. University Counsel and Senior Assistant Attorney General was present for all meetings and closed sessions. With the exception of the special meeting held on October 27, which was an all-virtual meeting held pursuant to Virginia Code § 2.2-3708.3.C, all meetings were held in person with one Board member participating via Zoom during the June quarterly meeting pursuant to Virginia Code § 2.2-3708.3.B.3 and as reflected in the meeting minutes.

The Bylaws of the Old Dominion University Board of Visitors are posted on the Board’s website and noted the requirements of the Board in order to ensure the transparency of its actions. Section 3.07 of the Bylaws require that all meetings of the Board be conducted in accordance Board Policy 1107, Board of Visitors Meeting Scheduling and Procedures, unless modified at the discretion of the Rector. Section 3.08 of the Bylaws specifies that Board members are subject to the provisions of the State and Local Government Conflict of Interests Act and must file reports as required (Va. Code §2.2-3114. B) and Board Policy 1108, Board of Visitors Conflict of Interests Policy. University Counsel will review filings in accordance with these provisions. Board members must disclose any conflicts to University Counsel and recuse themselves from any meeting discussions on related topics and abstain from voting.
