What are my room set up options? (See photo)

- The SGA Senate Chamber Room, Norfolk Room, and Williamsburg room are “as is” spaces, meaning the room set up cannot be changed.

**Square Style**
Conference tables placed in a square or rectangular outline with open space in the middle. Great for medium or larger group meetings.

**Conference Style**
Conference tables placed in a square or rectangular shape with the middle filled in. Ideal for small groups or project meetings.

**Classroom Style**
Rows of tables with 2-3 chairs at each one, with tables arranged to face the front of the room. Most desirable for groups who will be listening while taking notes or working on an activity.

**Auditorium Style**
Rows of chairs facing the front of the room, usually divided by center and/or side aisles. Appropriate for lectures or larger groups that do not require extensive note-taking.

**U-Shape**
U-shaped table set up with chairs on outside perimeter. Perfect for presentations that include group discussions, note-taking or handouts.

**Banquet Style**
Round tables with 8 chairs. Perfect for served meals and/or conference sessions with small breakout or discussion groups.
What do the different statuses mean on my confirmation?

- Confirmed: the meeting request has been submitted, approved, and final
- Confirmed-Pending Meeting: the space is available for use and held for the group, however the request is determined to be a “complex event.” In order to move the reservation to final approval (confirmed), the event sponsor must meet with SET Scheduling office at least three (3) weeks in advance to the event to finalize details. For large-scale events that include amusement items, tents, or stages, will need to meet with the Scheduling office four (4) to six (6) weeks in advance to finalize those items.
- Tentative: Scheduling is unclear what your event entails/not enough details were given in the description. Once the event host and Scheduling Office speak then the status can be changed.
- Denied: The event is not approved to proceed and space is denied to use. The reasons for this can include the space is not available or the event does not follow University, Webb Center, or SET Scheduling policy.

“Other” Spaces for use by Student Organizations

I. There are times when student organizations want to use other spaces around campuses besides Webb Center and Outdoor space. Here are the other spaces and how to reserve them:
   A. Academic Space
      1. Submit academic space form to reserve an academic classroom:
      2. The request goes through SET Scheduling to confirm registered student organization then sent to Registrar for Scheduling. A confirmation will be sent if space is available for use.

   B. Broderick Dining Commons –
      1. The meeting facilities on the 2nd floor of the Kate and John R. Broderick Dining Commons were constructed as new meeting space for the Old Dominion University Board of Visitors. The meeting facilities in the northwest wing of Webb University Center are still available for use by the campus community; however, on certain occasions, the meeting facilities in the Broderick Dining Commons may be used by other University groups, under the following conditions:
         - Only the Dining Room (2201) and Committee Rooms A (2203) and B (2205) may be scheduled for appropriate events
         - The furniture in these rooms may not be reconfigured
         - Board of Visitors events and those sponsored by the President’s Office and President’s Cabinet members have priority, in that order.
         - Food is allowed only in the Dining Room and must be catered by Dining Services
• Requests for these rooms must go through Webb Center Scheduling and must be approved in advance by the requestor’s respective Vice President
• Vice President’s may, at their discretion, impose further restrictions for use the facility by faculty, administrators, and students within their organizations

2. Procedures:
• Requestors must first obtain approval from their respective Vice President for use of the facility
• Requests must be made in writing from the Vice President (via email) with the date, time, purpose of the proposed function and attendees.
• If approved, the requestor forwards the request, with the Vice President’s approval) to SET Scheduling (SETScheduling@odu.edu) to check availability.
• If the requested space is available, SET Scheduling confirms the reservation.
• Requestor works with SET Scheduling on meeting logistics and submits catering requests through Dining Services’ online catering system (https://oducatering.catertrax.com)

C. Education Building Multipurpose Room
1. Fill out this form to reserve:

Assumption of Risk Forms
   • Student Organizations & University departments hosting events within Recreation & Wellness managed spaces are required to have non-ODU affiliates complete an Assumption of Risk form. These forms may be completed prior to event date or upon arrival the day of the event.
   • Events including only ODU students generally do not need Assumption of Risk forms or insurance.

Complex Event Spaces
   For event spaces that best accommodate complex events including but not limited to North Cafeteria, Hampton/NN rooms, Webb Center lobbies (Front, South Mall, and North Mall), and Kaufman Mall there may be limitations on quantity or frequency of reservations by the same sponsoring organization or department allowing for equitable space usage.

Contractual Agreements
   • Student Organizations
      • Students may not sign contracts!
      • The ODU Standard Agreement is the only contract that may be used between the University and a service provider.
- Student Organizations must upload contract into Monarch Groups. Contact setfinance@odu.edu for clarification.
- The performer or agent must sign the contract first. The student organization must bring the contract back to SET for signatures by a designated University official. Within 3-5 business days and the student organization will be notified to pick it up. The student organization must mail a fully executed contract to the performer or agent once all signatures have been obtained. Student Organizations should keep a copy of the contract for their files.
- Allow at least 7 business days to complete these actions; however, the process could take up to 2 weeks. Please plan accordingly!
- Contracts that also require amusement device permits or Facilities support may require 3-6 weeks in advance.

**University Departments**

Student Organization Event Security for Indoor Events

ODU PD is required at certain events for the protection of attendees and the University campus. Events are categorized based on factors including, but not limited to, the type of event, location, and potential risk. The Executive Director of Student Engagement & Traditions, or a designated staff member, will assign an event category to a proposed event after consultation with event sponsors. Once the category has been determined, the event sponsor is responsible for proper planning and adherence to these guidelines and other applicable University policy. The decision regarding the category assigned to a particular event may be appealed to the Dean of Students whose decision is final. The Executive Director of Student Engagement & Traditions and the Dean of Students may, in his or her sole discretion, require a greater number of police officers or security guards for a particular event than is stated below.
