

Help keep your campus safe by reporting crime

- A feature of the LiveSafe App -

From mental health concerns to suspicious activity, keep your campus safe by letting your campus safety officials know what you see.

From the app home, tap "Report Tips" and select the tip type you want to submit to your campus police.

Enter in the info you want to share. Add audio, photos, or a video clip. You can also send it anonymously.

Once you tap "Send Tip", your campus police may start a live chat with you to ensure you and others are okay.
