Review and approve minutes from the 3/3/22 meeting

Minutes reviewed with no changes made

Motion to approve minutes – Carol Considine, second the motion – Lisa Koperna, all voted to approve

1. Old Business
   o Feedback from President Hemphill regarding K-12
   o Jeff Tanner spoke with President Hemphill and learned President Hemphill was inclined to not include K-12 in the CCP-ED Committee’s work but if anyone feels strongly that we should, we may
     • All members were satisfied that K-12 would fall under a different focus group
   o Discussion/Questions/Answers led by Dr. Koperna regarding resources in the TEAMS Strategic Planning Folder including:
     ▪ External Focus Group
     ▪ Internal Focus Group
     ▪ Strategic Plans
       • 2020-2025 Strategic Plan
       • 2009-2014 Strategic Plan
       • 2014-2019 Strategic Plan
       ▪ SCHEV Pathways to Opportunity: The Virginia Plan for Higher Ed
     ▪ Economic Reports

2. New Business
   o Begin the process of developing a mind map to identify opportunities for CCP-ED in the following areas: Maritime, Health, and Data
Jerry Cronin used mind mapping technology to facilitate brainstorming who our customers are within Data, Health, and Maritime. (copy attached and uploaded to TEAMS)

- Health has six large “pots” of customers. Please see mind map attachment.
  - Academic
  - Public Health
  - Not for Profit/Community
  - Hospitals/Medical Systems
  - For Profit
  - Treatment Centers

- Maritime has six large “pots” of customers and seven areas the customers deal with.
  - Port consulting firms
  - Architecture and engineering construction firms
  - Industry associations
  - Operational Firms
  - Government – local, state, federal
  - Port attracted businesses
    - Port
    - DoD
    - Resilience
    - Offshore wind
    - Supply chain
    - Shipbuilding
