Call to order

New Business

1. Presentations and Discussion
   - Daniella Cigularova – Assistant VP for Academic Success
   - Marissa Jiminez - Director, Academic & Tech Resources
     - The Office of Academic Success Initiatives and Support supports academic success in the classroom and beyond through student-centered programs, resources, and high-impact educational activities.
       - Featured Academic Success Initiatives – ePortfolios, Impact Learning Communities, and LeADERS

2. Round Table
   - Students need internships paid or unpaid, students may have trouble paying tuition when the internships aren’t paying internships
   - Students need to engage with industry early
   - Don’t forget our online students may need internships
   - Faculty don’t always get feedback on what is being done to help students who are struggling and have been referred to the Academic Success Center

3. Adjournment

Next Meeting 4/21/22 at 4:00PM (Hybrid Format)
   - On site in the Strome College of Business Room 2003 and via Zoom
